

# V8000WD WET/DRY HEPA VACUUM

For Construction & Renovation, Restoration, Mold Remediation & Healthcare

The V8000WD is a versatile HEPA vacuum that features superior suction performance, a low-profile design, low noise level, highest quality components and materials, and all the power you need to do a better cleaning job, with less effort and in a shorter time. Removes dust, dirt and non-flammable liquids.

This unit is rated at 1.6 HP, 120 CFM air flow and a vacuum waterlift of 90 inches. It features a 99.97% efficient @ 0.3 microns HEPA filter, making it ideal for applications wherever HEPA filtration is required to eliminate airborne contaminants and/or to comply with applicable regulations.

Furnished with combination floor nozzle, crevice tool and universal nozzle.

## PROJECT APPLICATIONS

- › Construction & Renovation
- › Mold Remediation
- › Healthcare
- › Cleaning & Restoration

## FEATURES

- › Stable, Low-Profile Design
- › Powerful Operation
- › ETL Tested & Certified for Safe Electrical Operation
- › Individually Tested & Certified 99.97% HEPA
- › Slim & Easy to Transport
- › Easy-Emptying Tank
- › Low Noise Level
- › Quality Components Throughout
- › Chrome Wand & Extension
- › One Year Limited Warranty

## TECHNICAL DATA

Power:	1.6 HP
Peak Power:	7.25 HP
Air Flow:	120 CFM
Waterlift:	90" w.g.
Noise Level:	59 db(A)
Tank Volume:	8 gallons
LxWxH:	15" x 15" x 22"
Weight:	22 lbs
Hose (dia & len)	1.5" x 10'
